WARRANTY INFORMATION

Any component that fails due to manufacturer's defect is guaranteed for 1 year. The warranty only covers products installed and maintained in accordance with the instructions provided by their respective manufacturer and no warranty is made with respect to any of our products that are otherwise installed or maintained. For full warranty details, visit our Warranty Section.

Conformance to Codes and Standards

The ELCPAJ series is UL listed and meets or exceeds the following: UL 924, NEC, OSHA and NFPA 101 Life Safety Code requirements.

ORDERING INFORMATION

Series	Letter Color	Frame
ELCPAJ	R (Red)	BF (Black Frame)
	G (Green)	

CONSTRUCTION

The ELCPAJ Glow in the Dark Exit Sign has a thin, low profile construction with 50' visibility. It has a durable plastic photoluminescent panel with an optional black plastic frame. This photoluminescent exit sign is explosion-proof for areas requiring explosion-proof exit signage.

EMERGENCY OPERATION

Upon failure of the normal utility power the ELCPAJ exit sign will provide at least 90 minutes of illumination. *The sign must be charged for a minimum of 60 minutes to become fully operational.

INSTALLATION

This unit is available for surface mount. Before installation it must be determined that there is a minimum of 5 Fc of fluorescent, LED, metal halide or mercury vapor light on the face(s) of the sign at all times during building occupancy.
