WARRANTY INFORMATION

Any component that fails due to manufacturer's defect is guaranteed for 1 year. The warranty only covers products installed and maintained in accordance with the instructions provided by their respective manufacturer and no warranty is made with respect to any of our products that are otherwise installed or maintained. For full warranty details, visit our Warranty Section.

Conformance to Codes and Standards

The PA100 series is UL listed and meets or exceeds the following: UL 924, OSHA / NFPA 101 Life Safety Code requirements.

ORDERING INFORMATION

Series	Sign Color	Sides
PAR100 (Red)	Red	Single
PAG100 (Green)	Green	Double

CONSTRUCTION

The PA100 Series has a thin, low profile construction with ABS plastic paneling and photoluminescent lettering. This wire-free exit sign is high durability explosion proof and suitable for wet locations.

EMERGENCY OPERATION

Upon failure of the normal utility power the PA100 exit sign will provide at least 90 minutes of illumination.

*The sign must be charged for a minimum of 60 minutes to become fully operational.

INSTALLATION

Surface, flag or ceiling mounted (hardware included). Before installation it must be determined that there is a minimum of 5 FC of LED or fluorescent light on the face(s) of the sign at all times during building occupancy. (Conduit bracket sold separately.)
