- Width: 8"
- Depth: 1/16"

Accessories:

Double-Sided Polyethylene Foam Tape
(1/32" x 3/4" x 2" 6 PCs/Pad 50 Pads/Case)
Catalog Code: **TD-75200-C**

GLOW IN THE DARK NEW YORK CITY CODE APPROVED FINAL EXIT SIGN

A simple way to add additional emergency egress signage. Meets stringent New York City safety codes (New York City Building Code Reference Standard RS 6-1 & 6-1A and Local Law 26 of 2004). Identifies doors that open to, or are, final exits (fulfills RS 6-1 2.2.9.1).

No electricity or battery required. These signs can be easily placed on any flat surface using double-sided tape (not included).

Under normal lighting conditions, these signs are highly visible. In the event of low (or absence of) lighting due to power failure the lettering on the signs will "glow-in-the-dark". (Signs must be "charged" to glow – requires exposure to 54 LUX (5-ft candles) of fluorescent, metal halide or mercury vapor light illumination).

When ordering, specify directionality.

Catalog Code:

	Configuration	Code
	Exit Right	PFE-R
	Exit Up & Right	PFE-UR
	Exit Left	PFE-L
	Exit Up & Left	PFE-UL

Shipping Weight - **2 lbs ea.**
