Code: RHB-L

FEATURES

- Adjustable 12 LED lamp head
- Constructed of VO flame retardant, high impact thermoplastic housing
- For use with any remote head capable emergency light or exit sign with matching voltage

WARRANTY INFORMATION

Any component that fails due to manufacturer's defect is guaranteed for 1 year. The warranty only covers products installed and maintained in accordance with the instructions provided by their respective manufacturer and no warranty is made with respect to any of our products that are otherwise installed or maintained. For full warranty details, visit our Warranty Section.

Easily increase emergency light by attaching this remote head lamp to your existing REMOTE HEAD CAPABLE emergency light or exit sign.

ORDERING INFORMATION

| Series | Housing Color | Heads | Voltage |
|--------|---------------|-------------|------------------------|
| RHB | Off White | Single Head | 3.6V |
| | | Double Head | MV (Multi-Volt 3V-12V) |

CONSTRUCTION

The RHB-L remote head is constructed from injection-molded, engineering grade, 5VA flame retardant, high-impact resistant, thermoplastic white finish.

ILLUMINATION

Smooth thermoplastic reflector with plastic lens for optimal light distribution. Adjustable lamp head with 12 LED's that provides increased center-to-center spacing.

ELECTRICAL COMPONENTS

Powered from low voltage power source with low voltage wiring (not provided).

INSTALLATION

The RHB-L LED Remote Head includes a universal mounting base plate with mounting hardware. The distance of maximum run is determined by system voltage, wire gauge and total maximum wattage on the run. Suitable for wall or ceiling mount

DIMENSIONS

Weight : 2.00 lb
